

# READING BRINGS US TOGETHER

Participate in Summer With the Library by picking up a game board at any library location. You can also take part by logging your reading and activities online through Beanstack or by using the Beanstack Tracker app.

Each week, when you have read for one hour or attended a library program, mark that week's space on the game board. Once you have marked a box in at least three of the weeks, bring your game board to your local library to receive a prize\*.

Continue reading and attending library programs through August 1 (and return your game board to your local library by August 8) for a chance to win a VISA gift card.

*Please note that an email address or phone number is required to enter prize drawings so that winners can be notified.*
